WE cannot too often remind our people to spend their money at home. We need to be a little more clanish —Irontonian. And in the next breath our Democratic triend gloats over the prospect of a Tar-

iff whose chief feature is an inducement for Americans to buy the goods that European workmen make. In truth, "We need to be a little more clannish."

Ir the Wilson Bill should pass with free coal or the proposed reduction in the duty it would compel mine owners to reduce their selling price to meet compe-tition. This would require a reduction of the wages of the miner and laborer of the wages of the miner and laborer who today is working as ion as he ought to without degrading himself to the level labor of Europe. We don't want this state of things in America. It is to the interest of the employer, the community and the State that labor should earn enough to provide the necessary comforts of life to enable a man to live in bodily comfort and in good moral condition. The radical measures proposed in the Wilson Bill in the coal schedule will fail upon the man who uses the pick and

TERRE HAUTE, Ind., Aug. 16.—The finding of the body of an unknown murdered man, who had evidently been dead for several days, is puzzling the police. The body is that of a man about is years old. A builet had pierced his obeck.

GROVER'S DESK

Now Contains the Celebrated Tariff Bill.

The Leading Question Is, What Will

Commanity at Large.

Washington, Ang. 10.—The tariff bill was delivered to Private Secretary Thurber at the executive massion at the executive massion at tive Pearce, chairman of the house committee on enrolled bills.

The president is given by law foldays to consider a bill. He may hold the bill till midnight of August 27, when, if not signed, it will become a law by the president to sign the bill, so as to put an end to all uncertainty in the business community at large.

The treasury department is concerned over the heavy withdrawnis of whisky from bount to get the benefit of whisky from bount to get the benefit of nues are largely increased by this process it is seen that the government will be the loser in the end. Not only in this true in regard to whisky, but the importance of the obtaining revenue from sugar at once is realized into the United States by the ship londs, and whisky the president is urged by Secretary Carlisle has been used by Secretary Carlisle to sign the bill immediaty the president is urged by Secretary Carlisle has been to the treasury.

Mr. Carlisle has about squeiched the

increased revenue will be lost to the treasury.

Mr. Carlisle has about squelched the "poppun" bills sent to the senate by the house. His letter says, that if sure is put on the free list there will result from it a loss of \$43,00,000 to the treasury, which will force another treast is still so intense, that if the bill is allowed to run up there will be made a great effort to pass it. There is little a great effort to pass it. There is little will go through at this session.

Account of the Change in the Tariff The Reduction Too Much.

on Account of the Change in the Tasiffa-The Reduction Too Much.

BALTIMORE, Aug. 18.—Officials of the Edivin Bennett Pottery Co., of this city, have decided, in conjunc-tion with other firms which are represented in the Potters' Na-ture of the Potters' Na-ture of the Potters' Na-extablishments in consequence of the passage of the new tariff bill. The re-duction from Pope cent. to 3b per cent. In the pottery schedule caused General Manager Brane to notify his employes of a reduction in wages. The men had cecently accepted a 12% per cent. cut. and refused to go any lower. The kills hands quit Thuesday. In a day or two the 350 employes will have com-pleted the orders on hand, and the pot-tery will then shut down.
